I think everyone here agrees it's a good development. Let me have a little while to circulate this draft here. I'll tell folks the County wants an answer by mid-morning.

Subject: FW: Revised Draft MOU

Counsel,

In light of the letter we received from AGC yesterday morning, we have made proposed edits to the MOU to reflect AGC's statement that the Coalition intends to retain a third-party testing service to perform testing of the wells in the agricultural corridor.

DNR believes the retention of a third party service is a positive step and these edits to the MOU reflecting that step will lead to a more productive conversation with AGC. The attached draft also includes the minor edits that EPA proposed yesterday.

Please feel free to call me this morning or you can reach Jim Zellmer at (608) 267-7651 to discuss these proposed changes.

Cheryl
